Brief Description About Proposed Points:

We discussed about Team Member's skills means in which language they are suitable to work with. After discussion we gave the first priority to Web Programming Languages. In an meet with Mentor we told them our points and took some suggestions for project ideas. Also we discussed among us about topics and made a list of project ideas. Before Submitting them we discussed and gathered all the related information on the project ideas we have decided to submit. Gave the first priority for Website and then applications and submitted the project idea list.
